#### Remarks

Enjoy all that living on the water includes from this location. This canal pool home with its 2 remote controlled boat lifts, its southern exposure, is where you could love to call home. Quality is apparent from the first time you gain entry to this charming Florida lifestyle residence on Longboat Key. The character of the original home with its vaulted wood beamed ceilings and stone fireplace have been complemented by modern touches of Shellcrete concrete walkways, pool deck and driveway. A nice blend of functionality, original character and modern upgrades make this home an attractive waterfront living option. Easy access from the canal to the Sarasota Bay and downtown Sarasota. A great opportunity for Island living.
